Dear Doctor Reynolds:

Dr. Floarda Howard has been working on the Surgical Service here at Freedmen's Hospital, Howard University as a volunteer assistant for the past three months. He recently completed a residency at Provident Hospital, Baltimore and wishes to obtain more experience on a fellowship basis. I have seen the correspondence he had with Dr. Bowsfield but do not really know whether he is an applicant for the Rosenwald Fellowship or not. He has not made out an official application. I would like to urge that you would consider his case. He is definitely worthy.

Could you inform me what is his status with the Rosenwald Foundation and what are his possibilities of obtaining such a fellowship?

Very truly yours,

Edward L. Howes
