

Fellowship Com.

February 19, 1945

Dear Mr. Paty: We very much hope that you will be able to attend the meetings of the Fellowship Committee this year. We particularly feel the need of your judgment since you are the only member of the Committee now living in the deep South and familiar with academic developments in the white colleges and universities.

The members of the Committee with whom I have been able to talk in Chicago have suggested the week end of March 24-25 as a convenient date for them. Would it be possible for you to come on that date? If some other time would be better, would you suggest it, and perhaps we can adjust the date to your schedule.

Sincerely yours,

VANDI V. HAYGOOD
