HYLAN GARNET LEWIS

Instructor in Sociology, Howard University

Sociology

Testimony from Univ. of Chicago is  
 not overpowering. With is the  
 only one who speaks at all strongly  
 and his comment is carefully  
 measured. The comment that he in various  
 is certainly bolstered by his statement  
 + his paper - 16 typed pages  
 I doubt if there is a reasonably clear  
 case and I think reappointments  
 should be made only where the  
 case is almost overwhelming

If another point is made, it  
 should certainly not be above  
 last years level - \$1,500  
 (as indicated in the \$1,700 study)

Letters esp. from Ferris and

useful.
