April 26, 1939

Dear Mr. Moe: I am passing on the information about Professor Herskovits to Dr. Johnson, because he was to talk to Mr. Smythe about working with him. Thank you for calling his departure to our attention.

I am enclosing a copy of a letter which I have just received from Dean Cronkrite of Radcliffe, in reply to my request for the remission of tuition for Miss Tate and Miss Qualls. Is there any other method of approach which might be more effective, or do you regard this kind of a letter as final?

Unless my plans change, I will not be in New York before the last of May or early June, but I am looking forward to seeing you then.

Sincerely yours,

GMR:MLU
