

Negro nurses

December 28, 1939

Dear Miss Purdie:

I am sorry to send you continuously disappointing replies to your letters for assistance. I have been quite unable to get favorable action upon your application. This is not very good news for the new year; rather, let us call it bad news for the close of the old year.

Sincerely yours,

M. O. BOUSFIELD

M. O. Bousfield, M. D.
