STEFFEN WOLFGANG THOMAS

State Art Supervisor for NYA
Atlanta

Art

Not a Southern native:
Born in Germany, of Welsh ancestry.
Has been in America only since 1928 and
an American citizen since 1935. He married
a Georgia girl.

A very interesting well-excellent testimony
But he seems to me to stretch
the Southern term too far

Application not as a creative artist
but as art educator & supervisor
