

EDWIN ALBERT LELAND, JR.

(25)

now grad student at Northwestern
Bom... & plans graduate study at Yale
on problems of new serious schools
Education

Interesting chap; interesting project
He writes a bit ornately
but in a way that holds
attention. With some discipline
he should become a trenchant
writer

He's gone a long way in thought and
maturity for his 25 years
I'd want to check him further
before we make a grant
On the record before us I rate him
