6. Have you assurance that you will be admitted to this institution? _____

7. If you are not planning study at an institution, indicate the type of special work you propose to do _____

My work will not be primarily in pursuance of a degree, this being nearly completed, but will enable revision of thesis at Harvard and elsewhere.

8. If awarded a fellowship _____

When would you wish to begin the study proposed? September, 1937

What is your estimate of its probable duration? One year. It is conceivable, in view of the thoroughness with which I hope the project will be completed, that a longer period will be required. If this should be the case, I shall apply to foundations specifically interested in social sciences and population problems, as well as to the Rosenwald Fund,

Statement of Plan of Work for further aid. Such an eventuality is, of course, conditional upon an original grant from the Rosenwald Fund.

Submit on separate sheets a statement giving detailed plans for your work during your tenure of a fellowship. This statement should include (1) a description of the project, including its character and scope, and the significance of its presumable contribution; (2) the present state of the project, time of commencement, progress to date, and expectation as to completion; (3) the proposed university, or institution of similar grade, or the place where the work would be carried on, and the authorities, if any, with whom the work would be done; (4) your expectation as to publication or use of the results of your study; and (5) subsequent plans for your career. *This statement should be complete and carefully prepared.* (Please submit one more copy of PLAN OF WORK than the number of your references.)

References

Submit a list of references from whom further confidential information may be obtained concerning your qualifications and from whom expert opinion may be obtained as to the value and practicability of your proposed plan of work:
