Law

This man rates apparently <sup>(or maybe other kind of award)</sup> ~~well~~ <sup>highly</sup> ~~to~~  
Carter (another <sup>award</sup> ~~award~~) in his  
law record at Howard. He was  
also (Beneke says) the most  
believed Political Science major  
Howard has ever had

He asks for a ridiculous sum of  
money even for a family man  
(asks \$3050 for us whereas his present  
salary as teaching fellow at Howard  
is only \$1642.)

This lack of perspective throws me off  
a bit.

Maybe will have a taste to  
choose between this man and Carter
