MOP	7/13	Memo	

Great Barrington, Mass.
July 20, 1936.

My dear Dr. Bausfield:

I thank you for your letter, and I am still hoping that you may find a way to help Miss Lins in fitting herself for the field she set forth in her application. She is very able and equally deserving.

With kindest personal regards,
I am,

Sincerely yours
Lawrence D. Johnson.
