My dear Dr. Davis:

Miss Ollie J. Sims, Medical Supervisor in Hubbard Hospital at Meharry Medical College here in Nashville is writing you to make an application for a scholarship from the Julius Rosenwald Fund. I hope that the Fund will be able to do something for Miss Sims. She is an extraordinary young woman, very intelligent, very able, and ambitious to rise in here profession. She well merits all the help that the Fund might give her. I am glad to give her my unreserved personal endorsement.

With warm regards to you, I am

Cordially yours,
