Dear Doctor Bousfield:

I am afraid that I failed to answer your communication of November 2 in respect to the whereabouts of Mr. Albert H. Wheeler. When your letter came I was not certain, and as a consequence put it aside with a view of following it up. For some reason I failed to do so as I had anticipated. At present he is at Howard University, Washington, D.C. Mr. Wheeler made a good impression here. I believe he will do a satisfactory job anywhere. If I can be of any further service in this matter, kindly command. I am

Most sincerely yours,

Sundwall
