Plan of Work

To do research on "The History of Art Education in the Secondary Schools of the United States." To divide the project into periods of eight years, so as to place much emphasis on the rapid changes and developments in the curriculum. I plan to emphasize the work being done in the schools of the South.

Requests grant for one year beginning June, 1944. Plans to return to community in the South and probably start teaching at Southwest Texas Teachers College.
