

1939

EVA ELAINE GRAGERT

21

Museum artist, conservation Dept., La.

Art

Very young

Born in Minneapolis - has lived
in Missisquoi only since 1931

Probably not a Southerner in any
real sense

Has only a high school education

She wants (and probably needs)
three years of general art study
Seems to me too immature (and
early - in art career) to justify
a fellowship now -

But if we even need trouble art jury

C

Art jury
