Dear Bill:

I am looking forward to working with the Committee on Fellowships.

As I understand it, the committee will meet on the morning of April 26th for a two-day session. I plan to arrive in Chicago in late afternoon of the 25th. I would like very much to get a reservation for the night of the 25th, 26th, 27th and 28th. Since you probably have more influence in that section than I do, would you try to get this done?

I have already started working over the applications. Please remember me to Mrs. H.

Sincerely,

*Gould Beech*
