Dear Mr. Weaver: I am enclosing a list of Fellows in the usual form for the auditors. A few changes have been made since the final meeting of the Committee, and a few extensions made. We thought it necessary to increase Robert Martin's grant by \$300 in order to carry him to the first of June. He is married and has a small child, and that fact was not considered when his application for renewal was under discussion. Fred Alsup will receive his Ph. D. this year from the University of Pennsylvania and the \$100 is given him to enable him to meet a new requirement of the University regarding the publication of his thesis. Hugh Smythe is granted \$400 toward a trip to Honduras. This is given on the condition that he obtain sufficient other funds to permit him to stay there for six months. Miss Corbett, at Doctor Odum's suggestion, is doing her year of graduate work at Columbia, hence the increase of \$350 in her grant.

Will you please sign and return both of the enclosed sheets if you approve of all of the items listed?

Very truly yours,

WILLIAM G. HAYGOOD
