Dear Dr. Bousfield:

Your letter relative to my application for a Fellowship in Neuropsychiatry has been received; and in reply I wish to say that I have communicated with Dr. Lloyd J. Thompson, Director of the North Carolina Commission for the Study of the Care of the Insane and Mental Defectives, and Dr. Carl V. Reynolds, Secretary-Treasurer of the North Carolina State Board of Health; both of whom have forwarded letters to you in regard to the matter. Letters of recommendation from Dr. P. P. McCain Superintendent of the North Carolina Sanatorium for the Treatment of Tuberculosis, and Dr. J. N. Mills, former Vice-President of the National Medical Association have also been sent to you.

If through me there can be made available any further information bearing on the matter, I shall be pleased to have same placed in your hands.

Very truly yours.
