

Fellowship  
Comm.

March 15, 1948

Dear Mr. Stryker: It turned out that the exhibit material for the six photographers is too bulky for me to bring along; therefore, I am having it sent via Railway Express directly to your office. I hope that it won't be too much in the way for you.

Thinking you may be interested in looking over the application papers on the candidates, I am enclosing them herewith.

Upon my arrival on Friday afternoon, I shall call your office for an appointment for Monday morning.

With best wishes,

Sincerely yours,

HR
