Cleveland, Ohio

December 22, 1934

The President,  
 Julius Rosenwald Fund,  
 Chicago, Illinois

Dear Sir:

I am a senior in Medicine at Western Reserve Medical School, Cleveland, Ohio. I am to receive the M.D. degree in June 1935. I am writing to make application for financial assistance to enable me to meet my obligations to the medical school. At present I have an indebtedness of about \$500.00 which must be met before graduation.

In addition to my regular work in school I am working three nights each week for which I get moderate wages. From this money I take care of my living expenses and pay a small sum each month on my tuition. Without assistance I shall not be able to graduate in June because of lack of funds. **JAN 7 1935**

Dr. Torald Sellmann, Dean of the Medical School will supply any particulars concerning the state of my finances and any other information.

Yours very truly,  
*John B. Johnson Jr.*
