Dear Vandi,

Fellowships Comm. Jan.

Fine to hear from you -

Will you try to push the jury-date  
as far ahead as possible - March  
the middle or later if it can be done.

Want to finish up the Life stuff  
so I'll be free for another assignment  
which will probably be in the Pacific,  
So will you ask Liongic & Jim to  
meet me in Chicago - it will save me  
a few days - I believe they prefer  
meeting in NY - so wield your blandishments  
as ever.

Frank

Redstone.
