Sociology

Good references and good record
The North Carolina professors look
all their candidates! They seem
to me a little less all out
for this man than for others

Sociology

D. C. professor seem to rate him high
He is asking for half year more
April - September (doesn't present grant
run to June or July?)

Asks for modest sum (\$1,000)

I'm not all out - for I have no doubt
he'll finish work anyway. Receipts are
have already done our stint.
