

Candidate **Raphael O'Hara Lanier**
 Dean, Houston College
 2610 Elgin Avenue, Houston, Texas

Special Field
 Vocational Guidance
 College Administration

Plan of Work

My plan of work involves securing the social and economic backgrounds to the Guidance movement, Labor Problems, Adult Education and the place of educational leadership in adjusting college curricula to community needs.

Wishes to work for D.Ed. at Stanford University under the guidance of Dr. J. C. Almack and Dr. William Proctor, beginning September, 1938 for the period of one year. Can return to present position.
