

SCHOLARSHIP

October 16, 1945

Dear Mr. Fraizer: I am sorry that we failed to notice on Miss Madeline Gloria Finn's application that she did not graduate from Central High School - she was in attendance there only from September, 1939 to June, 1941. We would appreciate it, however, if you could give us a record of her grades during that period. Thank you for your interest and cooperation.

Sincerely yours,

VANDI V. HAYGOOD
