March 15, 1948

Dear Dr. Thompson: The only chore that the Committee assigned to you is to look up Mr. Bingham, School of Religion, Howard University. Dr. Will spoke to you about Mr. Victor C. Daniel, 725 - 21st. Street, N. E., Washington, D. C.

It has been nice seeing you again and if you will send me your expense account, I'll see that a check gets in the mail immediately.

Sincerely yours,

Dr. Charles H. Thompson
