Dear Mr. Snowden: We are preparing a full report for our trustees on persons who have held fellowships, and would like to have up-to-date information. It will be of great service to us if you will give the information called for below, and return the sheet to us at once. In addition to these bare facts we should be glad to know of anything interesting that has happened to you, or that you have accomplished either during your tenure of fellowship or since you finished your work.
