

Fellowship Comm.

February 10, 1944

Dear Mr. Paty: After conference with several of the members of the Fellowship Committee who have been in Chicago recently, I have tentatively chosen March 18 and 19 for the first meeting of the Committee, and April 8 and 9 for the second meeting. Would those dates be convenient for you? If not, will you let me know right away, and perhaps we can adjust the schedule.

Would you like any change in the way the applications have been sent to you? In past years, I understand, they have been sent in several installments. You are the only member who will be reading the applications out of the office this year, so you can set up your own system.

Billy is in the Language and Area School of the A.S.T.P. at the University of Wisconsin for the time being, so he gets home almost every weekend. He'll leave the university before committee meeting time, though, much to his regret.

I hope that the dates I have suggested will be convenient for you. I'm looking forward to seeing you again.

Sincerely yours,

VANDI V. HAYGOOD
