

Candidate **John Roosevelt Greenman** *2197 N. St. Asaph St Alexandria, Va.* Special Field **Economics**
Agricultural Economist, North Central Division, AAA
Washington, D. C.

Plan of Work

I plan to complete at least one year of graduate work in economics and related subjects in order to become qualified to do teaching and research relative to the economic problems of producing and marketing agricultural commodities. Following my graduate work, I expect to become affiliated with a southern institution or the Bureau of Agricultural Economics where I will write a thesis dealing with the production and marketing of one or more agricultural commodities and including complete production and price analyses of such commodities.

Seeks Ph.D. at Harvard University beginning September, 1938 for one year.

Digest of Application

Born July, 1905, Moulton, Iowa. Married.

B.S. from University of Florida, 1932. Completed all work for M.S. except three semester hours and writing of thesis at University of Florida, 1932-33.
