

Candidate **Guy Herbert Wells** ✓

Special Field

President, Georgia State College for Women
Milledgeville, Georgia

College Administration

Plan of Work

I wish to study the educational systems of Denmark and England using one month for each. I should like to have two months visiting colleges in England, France, Germany, and Italy, Russia, and Poland.

Wishes to do study under supervision of Dr. Goodwin Watson, Columbia University. Duration of study five months to begin July, 1938 or 1939. Will return to present position.

Digest of Application

Born September, 1882, Temple, Georgia. Married, two children.

A. B., 1915, L. L. D., 1924, from Mercer University. M. A. from Teachers College, Columbia University, 1925. Phi Delta Kappa.

Experiences: Superintendent of public schools in various towns in Georgia, \$1080- South Georgia Teachers College, President, 1926-34, \$5000. Georgia State College for Women, Milledgeville, President, 1934 to present, \$5,000.

Research: A study of Georgia's Support of Higher Education in 1927. Membership in NEA and educational standing of states. To What Extent is Higher Education in America Privately Supported as Opposed to State Supported. Numerous articles in educational journals.

Fellowship: GEB, 1925-26, George Peabody College, \$1,800.
