JOHN FRANCIS TIMMONS

Associate Agricultural Economist  
U. S. D. A.

Economics

Food, though not hillman, record  
in college and graduate school  
Remarkably high letters

Missouri is border land region by  
our definition - and Dept. / Agr.  
is scarcely a Southern institution,  
though this man's work would be  
chiefly on Southern problems

I need rate him A save for these  
technical considerations which put him
