Dear Hilde,

We'll be on the alert for the Fellowship Digests.\*

Since the time is drawing near I'll be glad if you will let me know as promptly as possible what decision you make about the meeting of the Literary Jury after you have heard from Buck Moon.

Best,

Dear Hilde,

I'm glad that everything about the March meeting is now definite. There seems to be plenty of time for me to arrange the reservations, etc. from this end, and I will plan to be at the Fund in time for coffee on the morning of the eleventh.

Best ever,

Arna Bontemps
