

Name Joseph William Porter Field: Mathematics

Associate Professor of Mathematics and Physics
Bluefield State Teachers College, West Virginia

Plan of Work

I wish to work toward a doctorate in Mathematics. I believe that in one school year I can finish all my course requirements and take my preliminary examination. If possible I should then like to continue a second year and write my dissertation.

Wishes to attend the University of Pennsylvania under Dr. J. R. Kline, for one year beginning September, 1942. Has been admitted. Will return to present position.

Personal Data Born Wilmington, Delaware, December 1911.
Married. *2 children*

Age: 30

Undergraduate Work University of Pennsylvania, A. B., 1933

Graduate Work University of Pennsylvania, M. A., 1934; 1934-35.
summer, 1940.

Experience Investigator, Philadelphia County Relief, 1935-36, \$1320; Associate Professor of Mathematics, Bluefield State Teachers College, 1936- , \$1350-\$1845.

Accomplishments Worked on a committee for the State of West Virginia whose job it was to determine what mathematics should be required of college freshmen.
