Dear Mr. Murphy: We have your invoice dated August 15 for our order of 3 copies of CHEMICAL AND ENGINEERING NEWS, Volume 24 #17. The invoice states that these magazines were to be shipped about August 23, yet to date we have not received them. I am wondering if you would investigate this matter? We would appreciate having these magazines as soon as possible.

With sincere thanks for your co-operation, I am,

Sincerely yours,
WILLIAM C. HAYGOOD
