### REPORT

*Dr. Peyton is a splendid character.*

*Physically, he has an enviable physique, fine, clean-cut, and a bearing that attracts one at once.*

*Mentally, he is as near to perfect as one could look for: very brilliant type and really clever in his profession, a really born specialist.*

He has personality — and I would recommend him very highly. With me he rates very high.

I speak this from a knowledge of the man covering a period of ten years.

The Julius Rosenwald Fund will make no mistake in sponsoring his further studies in his specialty of Proctology.

Is the candidate free from personality handicaps which would make it difficult to obtain and hold a position giving him opportunity to utilize his abilities?

Absolutely.
