Dear Mr. Taylor: We are preparing a full report for our trustees on persons who have held fellowships, and would like to have up-to-date information. It will be of great service to us if you will give the information called for below, and return the sheet to us at once. In addition to these bare facts we should be glad to know of anything interesting that has happened to you, or that you have accomplished either during your tenure of fellowship or since you finished your work. Our trustees have a continuing interest in the Fellows and we like to keep them informed.

Very truly yours,

Dear Mr. Reynolds:

Enclosed you will find the blank sent to me at Fisk University. I am in charge of all the work in Sociology at this institution. This is my first year at this work. The position has just been created and affords full time employment for $10\frac{1}{2}$ months in the year.

I am preparing an article on a part of my work for publication in Social Forces at the behest of Dr. Odum. I hope that the delay in sending this information is not an inconvenience. There was a bit of time taken in the forwarding process.

Yours very truly,
Joseph Taylor
