Negro nurses  
(courses)

Dear Miss Jaxon: I wish to make formal  
acknowledgement of your  
application for scholarship, having to state  
that, as I told you in Tuskegee, this applica-  
tion will be considered as a part of the whole  
program at Tuskegee. The fact that it has not  
been acted upon simply means that it is deferred  
until we determine more fully what we want to do.

Very truly yours,

M. O. Bousfield, M.D.
