April 7, 1939

Dear Mr. Moe: If the art materials could be returned prepaid express we should like to have them handled that way, with the charges to be paid by the Fund.

Miss Gragert's materials should be returned to Mr. L. H. Gragert, Route 3, Florence, Mississippi.

Mr. Lawrence Jones' exhibit should be addressed to him at Dillard University, New Orleans.

All of the other things should be returned according to the return address on the packages. Needless to say we are extremely grateful to you and your office and your jury.

Very truly yours,

GEORGE M. REYNOLDS
