

ALBERT HAROLD WHEELER

(26)

Graduate Student and Research Assistant
University of Michigan

Biology

Hungester of Michigan: 'Honest, cooperative to
a high degree, tactful, & well liked
from work already done it appears that project
which he proposes to carry out would be successful

Soule says: 'sincere, conscientious & trustworthy
no reason to reverse our decision of just two years
no evidence of unduly ability or
promise

ALBERT HAROLD WHEELER

Technical Assistant
Department of Bacteriology
Howard University

Biology - bacteriology

Not very good marks at Iowa State
Much better at Michigan - all As + Bs

None of the letters feel like
absolutely lops, though they
are good

B+

Name Albert Harold Wheeler Field: Biology

Graduate Student and Research Assistant
University of Michigan, Ann Arbor
