Dear Mr. Haygood:

Montgomery Ward does not offer any scholarships for students or for research workers nor are there any such scholarships being contemplated for the future so far as I know.

We did, at one time, have what was known as the Wards College Scholarship Fund but it was not strictly speaking a company granted scholarship arrangement. Prospective college students were paid liberal commissions on new business they secured for our mail order houses and were permitted to draw against these funds for their college education. This plan was liquidated some four or five years ago.

Yours very truly,

W. H. Seidel  
Administrative Personnel Manager
