Dear Bill:

This is just a note to tell you that I shall be glad to help out on the Fellowship Committee again this year, if you feel that I can make a contribution. I was quite serious about being willing to step aside at any time that you or Mr. Embree feel it desirable to add someone else to the Committee.

I need not tell you how deeply I am interested in the work of the fellowship program, since I know of no expenditure of money that is yielding larger returns for the South.

Warm personal greetings to you, Miss Utley, and the other members of the staff.

Cordially,

Raymond R. Paty
