

FELLOWSHIPS

Forms

Dear ----- Mr. -----, who applied to us for a
fellowship last year, is renewing his
application, and has again given your name as a reference.

I am wondering if you would care to add anything to the
enclosed statement which you sent us last year or whatever

We were very grateful for your frank
estimate of Mr. ----- last year, and we will appreciate any
further information that you may give us now.

Very truly yours,
