Dear Vandi;

Fellowship Com

Dear season is on with many a bang - so is winter + at last I'm at work in the studios. goodie!

Lawrence Barnett ^{OKLA} (letter enclosed) is the instructor of lithography at the Colo. Spgs. Fine Arts Center - he is rated as one of the 2 or 3 best technicians in the U.S. - + is a capable artist. I advised him to ask for application forms + said I would query Mrs. Haygood - what do you advise.

Let me know if Missouri ^{also} is within the Rosenwald arena - I know 3 or 4 very good men working there.

Have written a few Museum directors that I know - but I need the names of heads of art dept's in schools down yonder. Will you send me a list + maybe give me a hint as to how my letter might read. I don't want to step out of line in any way.

What's news - but to Bill + M. as ever. Frank
