Dear Mr. Embree:

I wonder whether you could help us in the following situation. Dr. Gertrude Block-Rosenwald, one of the Rosenwald German relatives, is very anxious to secure work in some Neuro-Psychiatric Clinic in Chicago. Dr. Rosenwald, a Chicago resident, is licensed in the State of Illinois, and she has done similar work at the University of Wisconsin. Would it be possible for you to help Dr. Rosenwald with a letter of introduction to the proper person at Provident Hospital?

Dr. Rosenwald's present address is "5123 Kimbark Avenue", Chicago, and, I am sure, she will be glad to come to your office, should you desire to see her before referring her.

Anything you may be able to do in assisting Dr. Rosenwald will be greatly appreciated.

With kindest personal regards, I am,

Sincerely yours,

Max S. Perlman

Dear Mr. Perlman: I shall be very glad to help
Dr. Gertrude Block-Rosenwald
in any way I can. My understanding is that, while
clinic material might be available, no payment
could be expected for services at Provident
Hospital. However, I will discuss the matter with
members of this office who are in close touch with
the work at Provident, and we will try to help
Doctor Rosenwald in any way we can.

Very truly yours,

EDWIN R. EMERY
