HAROLD A. FARRELL

Graduate Assistant, Department of English

English language and literature

This chap has been turned down  
three years in succession. He has  
gone right on and done good  
work. But I still do not think  
he quite reaches our standards.  
His professors at Ohio State do the  
all these praise (which is high)  
in the verbiage of "best Negro - remarkable  
example of the race" etc. They do not  
judge him by national standards.  
His post as graduate assistant  
in a white university  
however is impressive.
