FELLOWSHIPS

To 70 Summer Session Directors
List in MLU's Mailing List folder in desk.

(Form)

July 15, 1940

Dear Mr. Clark: There are undoubtedly among the students attending your summer session many who will not be in school next fall, and hence they may not have our fellowships called to their attention. I will, therefore, greatly appreciate your posting the enclosed announcements in a conspicuous place, and will also be glad to have you call it to the attention of outstanding students who are qualified to make application.

Very truly yours,
GEORGE M. REYNOLDS
