

Elaine M. Taitt Bettis (26)

C

Kindergarten teacher, Riis Settlement House
 To change the present conceptions of the Negro
 as held by the general public by a series of
 humorous but pointed articles, poems and books;
 to study courses at Columbia University in race
 and culture, communication skills and language
 development as a means of improving style.

A.B., Hunter College

Both academic record and references fair

John Henrik Clarke (31)

C

Free lance writer and proof-reader
 To write short stories, poems and articles re-
 flecting the various moods in Negro life
 Has numerous published short stories and poems
 References good

Myron O'Higgins (27)

B/

To complete two books of poetry -- one con-
 cerning the consciousness of the mass Negro in
 a war generation, the other an experimental sub-
 jective treatment of the rebel-idealist in con-
 flict with a materialistic society.

Requests grant for 18 months

A.B., M.A., Howard University

Plan sounds like an interesting one.

Well recommended

Robert Guilford Jones (40)

C

Sr. Fair Practice Examiner, FEPC, New York
 To write an historical novel of the slavery
 period. Requests grant for six months
 No degree; Attended Columbia, New York U, Fordham
 Law School, New School of Social Research
 Editor, The Federal Worker

The novel didn't seem too impressive to me.

References range from good to not very good.

CREATIVE WRITING

- 0 Murphy Lawrence Kibbe (35)
(Withdrew application)
- 0 Hannah Ramona Lowe (32) C-
Free-lance writer
To do a study of the Negro beauty culture fortunes from 1917 to 1945
No degree. Has attended numerous Northern colleges
Plan sounds interesting, but is presented very sketchily.
Recommendations none too enthusiastic. Florence Murray recommends her with certain "reservations".
- ✓ Willard Francis Motley (33) A
Author, Macmillan Company, New York
Writing of a Novel, plus the research for same.
A first novel accepted by The Macmillan Company to be published in the Fall
Received Newberry Library Fellowship, Chicago
Recommendations excellent
- 0 William Thomas Smith (40) B
Advertising agency operator
To rewrite a book manuscript Black Against the Sun which has received favorable comments.
Plan seems interesting; references good
- Onah L. Spencer C
To finish a book of folklore already begun
No college attendance listed
Too little about the materials to make an appraisal; references are good.
- Ethel Williams Wright D
Seamstress
To perfect and revise a first volume of poems and to take courses in aspects of creative writing.
Poor plan. No basis for a fellowship.

DANCINGKatherine Jefferson Flowers (49)

D

To write a child's history of dancing with an approach to the intercultural results of the dance

B.S., Northwestern University; Francis Alls Dance Studios, 1941-45

Plan not very convincing; academic record not impressive. References good.

DENTISTRYClifton Orrin Dummett, Sr. (26)

???

Professor of Dentistry, Meharry

Wishes to study for degree of Master of Public Health, University of Michigan

Seems to be a person of considerable promise

Numerous publications; good academic record; excellent references.

DIETETICSEdward W. Ramsey (41)

C

Director, Commercial dietetics, Tuskegee

To study in the field of restaurant administration for the degree of master of business administration

B.S., Tuskegee

Received grant, 1936

Project seems a good one; primarily interested in completing the degree.

Both academic record and references good.

Ruth Addison Attaway (35)

D

Director, New York Players Guild

To further develop The New York Players Guild;
teaching acting technique and speech to members
of the permanent company and training new members;
working throughout the year on plays which will be
included in repertoire; plannint itinerary which
will take them to Negro communities throughout
the South and mid-west.

A.B., University of Illinois

Is the Rosenwald Fund interesting in this type
of thing?

- Butler Thomas Wheeler Henderson (26) C
 Graduate student, New York University
 Wishes to work toward M.A. Continuation of study
 of recent changes in the status of Negroes in
 American labor unions
 A.B., Morehouse College
 Plan as he has developed it does not seem to be
 significant.
 Academic record average; references fair
- Robert Bruce Kennon (26) B
 Carpenter, A F of L
 To make a field trip to Ethiopia and London for
 the purpose of gathering information to expand
 on M.A. thesis - economic development of Ethiopia.
 Wishes to work toward Ph.D. London School of
 Economics
 A.B., M.A., University of California
 Project seems to be worthwhile; academic records
 and records good
- Wilson Elbe Williams (34) B
 Labor market analyst, U.S. Employment Service
 To complete requirements for Ph.D. in economics
 and complete dissertation on manufacturing em-
 ployment levels for Negroes in California as op-
 posed to Mexicans and other minorities.
 A.B., Fisk; M.A., Howard
 Applied, 1939, 1941, 1942
 Project seems to be worthwhile; academic record
 good; references good

EDUCATION

- Ira Babington Bryant (41) B-
 To complete a doctoral dissertation on the Voca-
 tional program of Texas Negro High Schools
 A.B., Fisk; M.A., University of Kansas
 Principal, B.T. Washington High School, Houston
 Project seems to be worthwhile; academic record
 and references good.

EDUCATIONFrankie Neiola Golden (36)

C

Jeanes Supervising Teacher, Savannah, Georgia
 To peruse studies in educational sociology and
 related fields with the object of planning a pro-
 gram of Intercultural Education for Chatham County
 and other Georgia communities.

B.S., Georgia State; M.S., Atlanta University
 Plan seems sketchy

Academic record average; references good

Applied, 1943

William Henry Hale (31)

C

Dean-registrar, Bethune-Cookman

To develop a community related program for
 Bethune-Cookman College

B.S., Langston; M.A., University of Wisconsin

Project fair; record average; references fair

Earl C. Jackson, Sr. (38)

C/ or B

Principal, Worcester High School, Maryland

To make a survey of literature about Negroes and
 compile information the ordinary white child should
 be taught about the Negro in order to have an in-
 formational basis for improved race relations.

A.B., Morgan State

Plan too sketchy for an appraisal

Academic record good; references good

ENGINEERINGStephen S. Davis (35)

Assistant Prof., Mechanical Engineering, Howard

To pursue work leading to the master of science
 in mechanical engineering, specializing in the
 field of metallography and heat power engineering.

B.S., M.E., Howard; diploma, Lowell Institute (MIT)

Academic record and references average

(35)

A

Graduate student, University of Chicago
 To spend a year studying race and culture contacts
 within the British Isles
 B.S. Hampton Institute
 Both plan of study and references excellent

Edna Fraser

C/

Student, London England
 To study the acculturation effects and the transference
 of caste attitudes occasioned by the presence of
 Negro troops in the European Theatre of War
 Wishes to attend London School of Economics and
 Political Science
 Interesting plan; references good. No transcript
 of academic record. B.S., Boston University

Fleda Alzena Jones

(27)

B

Receptionist, Y.W.A.C., Chicago
 To determine the presence and expression of the
 Rh factor in Negroes, a comparative seriological
 and racial analysis.
 Wishes to work toward M.A., University of Chicago
 Ph.B., Northwestern University
 Plan interesting; I suppose it is worthwhile.
 References from University of Chicago, good
 No transcript of academic record.
 Applied, 1945.

Benjamin Stratman Anderson (40)

C/

Resident Teacher Trainer, Agricultural Education
Fort Valley State College

A program for implementing problem-solving
methods of teaching technical and professional
courses in agriculture at Fort Valley College
B.S., Tuskegee; summer, University of Minnesota
Plans to work toward Master's degree

Academic record good

Project narrow in its scope; plan to improve
the method of teaching and technical and pro-
fessional staff of Fort Valley College.

Claud Collier Marion (35)

D

Principal and Teacher of Vocational Agriculture,
Sebring, Florida

To do a qualitative and quantitative study of the
effectiveness of technical instruction in agri-
culture in Negro land-grant colleges.

B.S., Florida A. & M.; M.S., University of
Minnesota

Undergraduate record fair; graduate record good
Project fair; references fair.

John Brown Murphy (26)

C/

Graduate student, Kansas State College

To pursue a course of study in crops and soils
directed specifically to the scientific manage-
ment of the soils of the South

Academic record average; references average

Wishes to work toward master's degree

Mahlon Clifton Rhaney (29)

???

Associate Professor of Biology, Dillard
Wishes to complete all requirements for Ph.D.
in zoology. No plan of study, though expects
to do research in the realm of animal physiology.
A.B., Dillard; M.S., Michigan
References good; academic record good.

Joseph Leroy Williams (40)

B/

Associate Professor Biology & Chemistry, Lincoln
To make a comparative study of the internal
genitalia of various Lepidoptera in order to
find, if possible, the relationship between the
monotreme and diplotreme forms and to study the
vitamin requirements of various insects
especially the cockroach.
A.B. Lincoln; M.A., Ph.D., University of
Pennsylvania.
References good; member of a number of scientific
societies.

CERAMICSWilliam Ellsworth Artis (32)

Harmon Foundation

To make a survey of ceramic art instruction and
production in Negro colleges and organizations.

No degree.

References good.

(refer to Art Jury)

CHEMISTRY

John Wesley Huguley, Jr. (47) B-

Instructor, Inorganic Chemistry, Howard
To prepare and study compounds of Germanium
suitable for the determination of this element,
with special emphasis on the development of
spectrophotometric and polarographic techniques
suitable therefor.

B.S., Harvard; M.S., University of Minnesota
Academic record good; references good

George Warren Reed, Jr. (25) A-

Research assistant, University of Chicago
To pursue a course of study leading to Ph.D. in
physical-organic chemistry in which major
emphasis shall be on nuclear chemistry correlated
with and applied to organic chemistry.

B.S., M.S., Howard University
Academic record good; references excellent.

Albert Lester Woodson (27) C-

Associate Professor Chemistry, Talladega
To pursue graduate courses and research in the
field of organic chemistry as applied to the
synthesis of pharmaceuticals or to the utiliza-
tion of potential sources of nutritious materials.

B.S., M.S., Howard University
Is interested primarily in getting doctorate
Academic record average; references good, but
not enthusiastic
