Director for Fellowships

Dear Mrs. Palmer: We are preparing a full report for our trustees on persons who have held fellowships, and would like to have up-to-date information. It will be of great service to us if you will give the information called for below, and return the sheet to us at once. In addition to these bare facts we should be glad to know of anything interesting that has happened to you, or that you have accomplished either during your tenure of fellowship or since you finished your work. Our trustees have a continuing interest in the Fellows and we like to keep them informed.

Very truly yours,

J. C. Dixon

Additional information (including future plans).

My husband was awarded a fellowship for this year but had it deferred until next year in order to accept a position as research assistant for one year on "The Negro in America", an inquiry under the auspices of the Carnegie Corporation with offices at 405 Lexington Avenue, New York. I am here with him assisting as I can. However, next year I expect to continue work on my doctorate in Public Health bacteriology at the University of Michigan.
