Dear Mr. Cayton: We are preparing a full report for our trustees on persons who have held fellowships, and would like to have up-to-date information. It will be of great service to us if you will give the information called for below, and return the sheet to us at once. In addition to these bare facts we should be glad to know of anything of interest that has happened to you, or that you have accomplished during the tenure of your fellowship or since you have been engaged in other activity. Our trustees have a continuing interest in the Fellows and we like to keep them informed.

Additional information
During the past year I have been working
on a study of the Negro Community in
Chicago on a Federal project

Most of this work has been completed
and in December of this year we
are bringing out three reports which
were written under my direction
namely:

"The Migration and Mobility of Negroes
in Chicago" by Elizabeth Johns.

"Churches and Associations in the
Chicago Negro Community" by St Clair
Drake.

"Occupational Changes in the Negro
Community, 1890-1930" by
Estelle Scott.

During the summer I studied
sociology in France and Belgium
until my stay was cut short by
the war.
