Dear Miss Reitzes:

Your letter of February 2nd at hand. I am glad to know that the dates, March 7 for the Chicago audition and March 21 for the New York audition, fit into your calendar satisfactorily. Let us keep the one o'clock hour for the Chicago audition since that will allow me to take a train in the middle of the afternoon returning to New York. As for the required time for the New York audition, it will be quite easy, allowing a person about 15 minutes each, to begin the New York audition at 1:00 P.M. I think you can go right ahead and make these arrangements with the candidates.

If I may suggest, it would be a good thing for each of the candidates who are to appear for New York City to have them notify me at my 464 Riverside Drive address whether or not they will appear. If they will do this, I can give them each a definite time to come and this will be easier on everybody if the schedule is regulated.

Think this is all for now and we can proceed to arrange meetings accordingly. Looking forward to meeting you and assuring you that it is a pleasure to cooperate, I am,

Very sincerely yours,

Bernard Taylor
