Dear Vanda

Genio tells us that April 6 is the best time for him, and so - also for us, who look forward to this yearly get together with great pleasure.

Yellowship Com.

We understand that Frank is planning to come on some days earlier. So we will have some visiting before the jury meeting, and we hope that you will be able to spend some time in New York so we can have more than one evening together.

We await you with open arms and warm hearts.

Affectionately
Oronzio & Jillee
