

HUGH WILBUR WESTON

Foreign correspondent, Pittsburgh Courier
c/o American Embassy, Paris, France

Race Relations

An interesting prospect: visit to Africa
on assignment from Pittsburgh Courier

Interesting career in the last year in
Buenos Aires

Young & evidently somewhat immature
See pressures of James Luther Adams
and Homer Brown

Unless we can help him by blue his
project (and that's difficult since he's
already abroad) it sounds like
a newspaper assignment, rather
than a fellowship.

On the other hand we might get a
bargain assignment for his asking. 900
